

5th Annual McMaster INTER-PROFESSIONAL FORUM FOR EYE HEALTH & VISION CARE

TARGET AUDIENCE

Optometrists, Ophthalmologists, Family Physicians,
Emergency Physicians, Nurse Practitioners,
Occupational Therapists, Rehabilitation Specialists,
Residents, Students & Other Health Care Providers.

**THEME: Inter Professional Collaboration (IPC) for the Future:
Use of Innovative Technologies to facilitate IPC in Eye Health and Vision Care Models**

“This inclusive workshop is to provide ophthalmologists, optometrists, family / emergency physician and other primary eye care providers with a professionally stimulating forum in which to exchange ideas regarding enhancing interprofessional collaboration for eye care in the management of common blinding eye conditions including presentation of new research developments”

LEARNING OBJECTIVES

By attending this activity, through a variety of interactive and informative sessions, participants will be able to:

- Discuss the role of Interprofessional collaboration (IPC) in the development of a high quality clinical eye and vision care system models that improves patient's outcome including assessments of current collaborative and integrated models.
- Explore the applicability of the clinical practice model (CPM) framework and health information and communication technology enabled IPC for eye care.
- Discuss the use of innovative information and communication technologies (ICTs), platforms and social media to enhance or support interprofessional collaboration including its impacts in creating virtual clinical opportunities.
- Discuss the utilization of e-collaboration and Tele Ophthalmology innovative technology as a tool to support interprofessional collaboration and current opportunities and programs in different sub specialty areas that enhance inter-professional collaborative patient centered care including the key challenges.
- Using various CME methods including meet the experts' forum and others, describe the different innovative information and communication technologies and practical approaches to co-manage the common eye surgical problems that present to the primary-care physician including the knowledge and skills for ophthalmic examination.

AGENDA

*Activity subject to change

07.00 – 08.00 **REGISTRATION, BREAKFAST & VISIT EXHIBITORS**

08.00 – 08.10 Welcome and Introduction

Eye Health and Vision Care Models for Interprofessional Collaboration

08.10 – 08.30 Towards a high quality clinical eye and vision delivery system:
Role of interprofessional collaboration

08.30 – 08.50 Model of integrated eye and vision care in the London area:
An Update

08.50 – 09.10 Clinical Practice Model Framework and Health Information
Technology (HIT) enabled IPC: Applicability for eye care

09.10 – 09.30 Advancing Evidence Based Guidelines:
Vision Screening vs Comprehensive Eye Examination

09.30 – 09.50 Panel Discussion / Practical application

09.50 – 10.00 **MID MORNING BREAK & VISIT EXHIBITORS**

Using Information and Communication Technology to Enhance Interprofessional Collaboration

10.00 – 10.20 Re-Imagining Interprofessional collaboration: Understanding
the role and impact of health informatics, information and
communication technologies

10.20 – 10.40 Social Media and virtual clinical opportunities for
interprofessional collaboration

10.40 – 11.00 Electronic Medical Records (EMR) / Electronic Health Records
(EHRs) for interprofessional collaboration

10.50 – 11.10 Medico Legal and Privacy Issues with information and
communication technologies and interprofessional
collaboration

11.10 – 11.30 Panel Discussion / Practical application

Information and Communication Technologies and Platforms / Meet the Experts 2017

12.00 – 13.00 **LUNCH WITH THE EXPERTS AND EXHIBITORS**

- Visual Fields
- Ocular Coherence Tomogram platforms
- Fundal Photographs
- Anterior segment Imaging
- Smartphones
- Softwares and applications
- Electronic Medical Records

Utilization of E-Collaboration and Tele Ophthalmology Innovative Technology as a Tool in Interprofessional Collaboration

13.00 – 13.20 Digitally integrated visits for Teleophthalmology

13.20 – 13.40 Experiences from a Teleophthalmology Program in Alberta

13.40 – 14.00 Ontario Telemedicine Network (OTN) Teleophthalmology
Program

14.00 – 14.20 Panel Discussion / Practical Application

14.20 – 14.30 **MID AFTERNOON BREAK & VISIT EXHIBITORS**

14.30 – 14.40 Anterior segment teleophthalmology

14.40 – 14.50 Teleglaucoma

14.50 – 15.00 Teleophthalmology for retinal diseases

15.00 – 15.10 Tele Retinopathy of Prematurity (ROP)

15.10 – 15.40 Panel Discussion / Practical Application

15.40 – 15.50 What's next in inter-professional collaboration

15.50 – 16.00 **Evaluation**

DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

In keeping with accreditation guidelines, McMaster University, Continuing Health Sciences Education Program requires all speakers and planning committee members participating in this event to disclose any involvement with industry or other organizations that may potentially influence the presentation of the educational materials or program being offered. Disclosure must be done verbally and using a slide prior to the speaker's presentation.

ACTIVITY PACKAGES includes breakfast, nutritional breaks, and lunch. Your activity lanyard must be worn at all times throughout the day. If you have a guest accompanying you to the activity, their meals are at their own cost and will be billed directly.

PLANNING COMMITTEE

Enitan Sogbesan (Chair) MD, MSc, FRCSC, FACS

Glaucoma and Cataract Surgery
Assistant Professor, Ophthalmology
Department of Surgery, McMaster University

Nina Ahuja, MD, FRCSC

Associate Clinical Professor
Department of Surgery - Ophthalmology
McMaster University

Khalid Azzam, MBBS, DABIM, FACP

Associate Professor of Medicine
Assistant Dean, Continuing Health Sciences Education
Faculty of Health Sciences, McMaster University

Varun Chaudhardy, MD, FRCSC

Associate Professor
Division of Ophthalmology
Department of Surgery, McMaster University

Jonel Mikle, MD, CCFP, FCFP

Associate Professor
Department of Family Medicine
McMaster University

Kathleen Hill, OD

Ancaster Eye Clinic
Member of OAO & HDSO
Ancaster, ON

Dr George De Rubeis BSc OD

Optometry Clinic of Stoney Creek
Owner/Director
Stoney Creek, ON.

Sarah MacIver, OD, FAAO

Associate Clinical Professor
Head, Health Sciences Optometry Clinic
University of Waterloo
School of Optometry and Vision Science

Angela Silla

Acting CHSE Program Manager
Continuing Health Sciences Education
Faculty of Health Sciences, McMaster University

Natalie Park

CHSE Coordinator
Continuing Health Sciences Education

CONFIRMATION OF REGISTRATION

A written acknowledgment of your registration will be sent prior to the event should you provide CHSE with your email address. Receipts will be provided in your registrant package upon arrival at the activity. Your registration is not complete unless a confirmation is received. If you have not received a confirmation within 7 days of registration, please contact the CHSE office.

CANCELLATION POLICY

The University reserves the right to cancel a course due to insufficient registration or any circumstances that are beyond our control. Cancellations received before **September 20, 2017** will be refunded less a 25% administrative fee to a maximum of \$50.00. No refunds will be issued for cancellations received after this date.

LIABILITY

Continuing Health Sciences Education (CHSE) hereby assumes no liability for any claims, personal injury, or damage:

- To any individual attending this activity.
- That may result from the use of technologies, program, products and/or services at this activity.
- That may arise out of, or during this activity.

PHOTOGRAPHY

Candid photos will be taken at the activity. Your registration implies your permission for these photos to be used for promotional material. Individuals in photographs will not be identified.

REGISTRATION FORM

5th Annual McMaster Inter-Professional Forum For Eye Health & Vision Care
 Wednesday, October 4, 2017 | Liuna Station, 360 James Street North, Hamilton, ON L8L 1H5

Please note that this is NOT an online registration. This is an electronic PDF form. You can type directly in the spaces provided online using any PDF software. You must then print & submit it to us via mail, fax or in person.

I CONSENT to having my name, address & email added to the CHSE mailing database for upcoming CME activities Yes No
